PE**Company Profile**

Q Technology is a leading PRC-based manufacturer focusing on mid-to-high end camera module and fingerprint module market for Chinese branded smart phone and tablet PC manufacturers.

Q Tech (1478 HK)**FY18E results preview**

- We preview Q-Tech FY18E results with sales up 5% yoy to RMB8.37bn and net profit turnaround to RMB88mn, with RMB140mn net profit in 2H18E.
- FY18 CCM/FPM shipments up 52.6%/33.2% yoy to 264mn /108mn pcs, mainly due to low base and gradual pick up in momentum in 2H18E.
- Maintain BUY with TP fine-tuned to HK\$5.40 from HK\$5.75 based on same 15x FY19E PE to reflect lower ASP assumption on FPM.

2H18E results likely turnaround. We forecast Q-Tech FY18E revenue/net profit up 5% yoy/turnaround to RMB8.37bn/RMB88mn with GPM of 4.9%, implying a HoH improvement of GPM from 1.2% in 1H18 to 7.2% in 2H18E, thanks to (1) on track pick up of CCM shipments growth momentum, and (2) increased 10MP above CCM penetration in 2H18E. We estimate Q-Tech 2H18E revenue/net profit to be RMB5,167mn/RMB140mn as compared to RMB3,207mn/RMB51mn loss in 1H18. We expect Q-Tech to pick up its revenue growth momentum with a stable recovery of GPM from FY19E onwards while we revised down our FY19E revenue/net profit estimates by 1.3%/4.8% to RMB10.0bn/RMB352mn to reflect a lower ASP assumption on its FPM products due to price erosion and the ramp up of under panel FPM takes time.

Dec shipments showed on track pick up. Q-Tech saw its Dec CCM shipments up 25.4% mom/122.3% yoy to 31.74mn, of which 10MP and above CCM penetration increased to 44% versus 42% a month ago. Full year CCM shipments were up 52.6% yoy to 263.89mn pcs, of which 10MP and above shipments up 37.7% yoy to 114.72mn pcs. We attribute such robust growth to the low base a year ago and the industry norm shift to ship two single CCMs for dual-cam which dramatically increased the shipments number at cost of lower ASP and margin. For FPM, Dec shipments were down 4.5% yoy to 7.78mn pcs and full year shipments up 33.2% yoy to 107.55mn pcs. We expect the FPM shipment growth to decelerate in FY19E due to slowdown in smartphone shipment growth and increasing adoption of under-glass/under-panel FPM which Q-Tech may take time to ramp up the product line to mitigate the slowdown in demand for its traditional FPM products.

Maintain BUY. We maintain our BUY rating on Q-Tech with TP fine-tuned to HK\$5.40 from HK\$5.75 based on same 15x FY19E PE mainly to reflect lower assumption on its FY19E FPM ASP.

Risks: 1) Weaker than expected GPM recovery; 2) Slower ramp up of Newmax lens set business, 3) Lower than expected yield rate for new products.

TERMS FOR PROVISION OF REPORT, DISCLAIMERS AND DISCLOSURES

By accepting this report, you represent and warrant that you are entitled to receive such report in accordance with the restrictions set forth below and agree to be bound by the limitations contained herein. Any failure to comply with these limitations may constitute a violation of law or termination of such services provided to you.

Disclaimer

Research distributed in Hong Kong is intended only for institutional investors whose ordinary business activities involve investing in shares, bonds and associated securities and/or derivative securities and who have professional experience in such investments. Any person who is not an institutional investor must not rely on this communication.

The information and material presented herein are not directed at, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any jurisdiction where such distribution, publication, availability or use would be contrary to applicable law or regulation or which would subject Oriental Patron Securities Limited ("OPSL") and/or its associated companies and/or its affiliates (collectively "Oriental Patron") to any registration or licensing requirement within such jurisdiction.

The information and material presented herein are provided for information purposes only and are not to be used or considered as an offer or a solicitation to sell or an offer or solicitation to buy or subscribe for securities, investment products or other financial instruments, nor to constitute any advice or recommendation with respect to such securities, investment products or other financial instruments.

This research report is prepared for general circulation. It does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person who may receive this report. This report is not to be relied upon in substitution for the exercise of independent judgment. Oriental Patron may have issued other reports that are inconsistent with, and reach different conclusions from, the information presented in this report. Those reports reflect the different assumptions, views and analytical methods of the analysts who prepared them. You should independently evaluate particular investments and you should consult an independent financial adviser before making any investments or entering into any transaction in relation to any securities mentioned in this report.

Information and opinions presented in this report have been obtained or derived from sources believed by Oriental Patron to be reliable, but Oriental Patron makes no representation as to their accuracy or completeness and Oriental Patron accepts no liability for loss arising from the use of the material presented in this report where permitted by law and/or regulation. Further, opinions expressed in this report are subject to change without notice. Oriental Patron does not accept any liability whatsoever whether direct or indirect that may arise from the use of information contained in this report.

The research analyst(s) primarily responsible for the preparation of this report confirm(s) that (a) all of the views expressed in this report accurately reflects his or their personal views about any and all of the subject securities or issuers; and (b) that no part of his or their compensation was, is or will be, directly or indirectly, related to the specific recommendations or views he or they expressed in this report.

Past performance should not be taken as an indication or guarantee of future performance, and no representation or warranty, express or implied, is made regarding future performance.

Oriental Patron, its directors, officers and employees may have investments in securities or derivatives of any companies mentioned in this report, and may make investment decisions that are inconsistent with the views expressed in this report.

General Disclosure

Oriental Patron, its directors, officers and employees, including persons involved in the preparation or issuance of this report, may, to the extent permitted by law, from time to time participate or invest in financing transactions with the issuer(s) of the securities mentioned in this report, perform services for or solicit business from such issuers, and/or have a position or holding, or other material interest, or effect transactions, in such securities or options thereon, or other investments related thereto. In addition, it may make markets in the securities mentioned in the material presented in this report. Oriental Patron may, to the extent permitted by law, act upon or use the information presented herein, or the research or analysis on which they are based, before the material is published. One or more directors, officers and/or employees of Oriental Patron may be a director of the issuers of the securities mentioned in this report. Oriental Patron may have, within the last three years, served as manager or co-manager of a public offering of securities for, or currently may make a primary market in issues of, any or all of the entities mentioned in this report or may be providing, or have provided within the previous 12 months, significant advice or investment services in relation to the investment concerned or a related investment or investment banking service to the issuers of the securities mentioned in this report.

Regulatory Disclosures as required by the Hong Kong Securities and Futures Commission

Oriental Patron (inclusive of OPSL) which are carrying on a business in Hong Kong in investment banking, proprietary trading or market making or agency broking are not a market maker in the securities of the subject companies mentioned in this report. Unless otherwise specified, Oriental Patron does not have any investment banking relationship with the companies mentioned in this report within the last 12 months. As at the date of this report, Oriental Patron do not have any interests in the subject company(ies) aggregating to an amount equal to or more than 1% of the subject company(ies) market capitalization.

Analyst Certification:

The views expressed in this research report accurately reflect the analyst's personal views about any and all of the subject securities or issuers; and no part of the research analyst's compensation was, is or will be, directly or indirectly, related to the specific recommendations or views expressed in the report.
